

# our mission

Ending the cycle of poverty by focusing on economic empowerment through skill development and wealth creation.

That Next Level Foundation (TNL) is a registered 501(c)(3), not for profit organization, formed in 2016 by Shawn and Kimberly Stafford with personal funds, the support of friends and a mission to empower people to be their own source of change. This mission is based on a proven formula for success that Shawn Stafford implemented while still in his teens to break out of his own family's cycle of poverty.

TNL is committed to ending the cycle of poverty in as many families as we can touch. Our charge is to help educate people on how to accomplish financial success. It is our hope to create as many financially independent citizens as possible by supporting or providing programs that encourage skill development and financial literacy. Our goal is to change the mindsets of those who believed their lives could only have one outcome and demonstrating to them that anyone can reach That Next Level of success, happiness, and prosperity.

All of us at  
That Next Level Foundation  
thank you for your support.

# donate

Your donation to That Next Level Foundation helps to promote and teach the importance of skill development and financial independence. Your donation to TNL supports our mission to end the cycle of poverty and promote financial independence in impoverished areas leading to stronger communities and reduced dependence on government programs. Every donation makes it possible to continue our mission and we sincerely appreciate your consideration.

# volunteer

At That Next Level Foundation, we are always looking for people to help teach, develop and organize programming, and promote our mission. Volunteering with TNL is a great way to directly help others cultivate skills, allowing them to earn income and develop sustaining wealth. Volunteering gives you the opportunity to give back and make a difference by engaging with those you help.

Each volunteer brings a unique life perspective and important value to the foundation. Volunteers are our lifeline and without your help, TNL would not be able to reach the masses as we do.
